

# THE CHIMERAS NEED YOUR SUPPORT

The Chimeras rely on student fundraising, donations, and sponsorships for funding. The funding will cover materials, registration fees, and travel. To ensure our team's success and future, corporate sponsorship is vital.

- By sponsoring our team, your company will gain local and national publicity alongside renowned businesses. *FIRST* competitions are broadcasted on ESPN3 and streamed live on web media.
- Your company's support will enable students to gain practical experience in engineering, science, and technology, opening doors to scholarships and future employment.
